A few more channels. A lot more TV.

Visit www.topuptv.com or call 08700 543210

Well now you can.

10 of the most popular digital channels

Top Up TV is a new TV service that boosts your current channel choice available on Digital Terrestrial TV (DTT). It adds 10 of the most popular digital channels at the most convenient times for you to watch, in addition to the free channels you can currently receive.

Fantastic family entertainment, award winning documentaries, the latest cartoons, classic movies and first time runs of America's most popular series, Top Up TV offers you a few more channels – a lot more TV.

Through your existing aerial

To receive Top Up TV all you need is your existing aerial and a DTT set top box or adaptor with a slot for a viewing card. A full list of compatible boxes can be found on our website.

For just £7.99 per month

You can top up your TV for £7.99 per month (plus a small one-off connection fee), making it the lowest price pay TV service available.*

Month-to-month contract

With Top Up TV there is no long term commitment so you can choose to view the channels month-to-month.
